The Preschool is state licensed and is an equal action/opportunity learning center for public service. Students are admitted without reference to race, color, creed, handicap, sex, or natural origin. Peace Christian Preschool is Step Up to Quality rated.

Our Staff includes certified, experienced teachers who are dedicated, supportive, and give quality care. All Staff members participate in in-service training. Student/Staff ratio is one adult for each group of 7-10 children.

High value is placed on the home/school relationship. Parent/teacher interaction and cooperation is encouraged. Our Preschool strives to integrate Christian truths and values with knowledge and skills in order to provide a comprehensive education for all students.

Our Preschool aims to develop children according to individual needs and abilities in the following growth areas: **Christian, Intellectual, Emotional, Social, and Physical**. Each child is encouraged to develop more values and judgments, to be self-confident and competent, to use desirable communication skills, to display acceptable emotional expression, to attain good peer and adult relationships, and to attain adequate adjustment to a school situation. The Curriculum is multi-faceted and includes Christian education, language arts and reading readiness, pre-math, pre-science, creative arts, creative play, resource programs and field trips. It is child-centered, age appropriate, individualized, and allows for the comprehensive assessment of each child. Diversified and challenging equipment and materials are utilized. For further information call the school at 440-286-3310.
